Passport to the Pajarito Plateau, Part I

We’re so glad you’re excited about exploring the trails around Los Alamos, and we can’t wait to hear all about your adventures. **Happy Hiking!**

**Directions:**
1. Hike the trails in the passport in any order. Mileage listed is roundtrip.
2. As you hike, look for a wooden post with a metal plate that matches the picture for that trail. “Stamp” your passport by making a rubbing of the plate.
3. Bring this sheet to the Los Alamos Nature Center, 2600 Canyon Rd, for a prize after you hike 2, 5, 8, and 12 trails. If you hike all 16, we’ve got something extra special for you.

The passport program was made possible by support from The Delle Foundation, the George and Helen Cowan Trust, the Kate Svitek Memorial Foundation, and the Clif Bar Family Foundation.
