

Simple IRA Policy

One of the benefits offered to eligible PEEC employees is participation in a Savings Incentive Match Plan, or “Simple IRA.” The following statements are intended to provide information about PEEC’s policies on the administration of any plan. To the extent any adjustments in PEEC’s practices are required to conform to federal law, they will be made.

Employees may defer 0% to 100% of their compensation, not to exceed the amount allowed by law. They are not required to contribute every year to participate in the plan.

PEEC will match an employee’s contributions, up to 3% of that employee’s salary/wages. The precise percentage of the match will be reflected in the PEEC SIMPLE IRA Notification to Eligible Employees (attached) that will be provided to every employee by the Executive Director prior to an employee’s sixty-day election period, on or about an employee’s second anniversary of employment. This form is also used by employees to inform PEEC of their monthly contribution amount or percentage.

Employee Eligibility: Eligible employees include all employees earning at least \$5,000 during the year, and who have earned at least \$5,000 in each of the two preceding years.

Timing of Contributions: The PEEC Plan Administrator shall make the contributions of all participating employees to the designated financial institution for the Simple IRAs no later than the 30th day of the month following the month in which the amounts would otherwise have been payable to the employee.

Reporting Requirements: [Form 5305](#) is not filed with the IRS but must be maintained in the PEEC offices. PEEC must report to the IRS which eligible employees are active participants in the plan and the amount of the salary reduction contributions on Form W-2.
