

Scout Program Offerings		
Spring	Juniors: Gardener	Tour the Bee City demo garden, play a pollination game, and plant seeds
	Brownies: Bugs	Look for bugs and their homes, build an insect out of natural materials, and meet PEEC's creepy crawlies
Fall	Daisies: Animal Observer	Learn how to use your senses to observe wildlife, play an animal camouflage game, and meet one of PEEC's critters up close
	Cadettes: Night Owl	Hike the trails at night, learn how our senses adapt in the dark, and look for nocturnal wildlife
Winter	Brownies: Space Science Adventurer	Visit our planetary neighbors in the planetarium, do some indoor stargazing, and design your own constellation
	Juniors: Space Science Investigator	Explore the solar system in the planetarium, use a solar telescope, and create a model of the solar system
Pricing		
Scheduled Offerings \$10 per scout		Private Programs \$12 per scout

Important Info:

- One adult is required per 5 registered scouts
- Most scouts programs are between 1 - 1.5 hrs in length
- Scheduled program fees include scout badges. Private programs may request badges for an additional fee
- Private programs are limited availability, depending on staff availability and additional programing

General Info:

- Approximately 2 different scouts programs will be held each season/quarter. Summer is available for private groups depending on availability
